From the Chairman's Desk:

MR. S. D. SHARMA

Chairman, Lexicon Group of Institutes

The Lexicon Group was conceived in 2006, with the mission of providing value based education with highest standards of excellence. Over the years we have not only been successful in making this dream come true, but also with the group completing 15 years since its inception, we have been able to exponentially grow and expand in our operations to different parts of Pune. With over 15+ Educational Institutes under the Lexicon umbrella which currently includes 1 Post Graduate College, 3 High Schools and 15+ Pre-Schools, our manpower and our family has been growing to a magnanimous size of 10,000+ students today, coming from across Pune and India.

Lexicon Group's motto 'Believe in Yourself' has been the hallmark of the group's attempt to reach out to each student individually. The school curriculum designed to make 'Each Child is a Special Child' is inspired by the Eight Multiple Intelligences model by Howard Gardner. At the Post Graduate level, with Lexicon Management Institute of Leadership & Excellence aiming at 'Inspiration, Innovation and Discovery', we at Lexicon Group endeavor to ensure maximum return on investment for each student enrolled with us.

We have seen a phenomenal growth at Lexicon Management Institute of Leadership & Excellence in the last one year, having won prestigious awards at the National and International levels, backed with International tie-ups and more than a dozen additional certifications with the Post Graduation program. We at Lexicon Management Institute of Leadership & Excellence have a systematic & process driven systems ensuring the best fit industry placements.

Lexicon Management Institute of Leadership & Excellence is an experience in itself; it is all about the arduous journey which every student coming here must embark. At Lexicon Management Institute of Leadership & Excellence, the academic curriculum is framed in a way which promotes the concept of 'Experiential Learning', that is learning by doing. Real life situations make the students understand and practically implement what is being taught.

Lexicon Management Institute of Leadership & Excellence is an entirely student driven Institute. This is the reason why each and every student who is a part of Lexicon Management Institute of Leadership & Excellence, is designated as a 'Student Manager'. Discipline coupled with high quality education at Lexicon Management Institute of Leadership & Excellence prepares the students for their corporate lives. The main focus of the Institute lies in creating and nurturing responsible business leaders who would hold the reins of the corporate in the near future. Lexicon Management Institute of Leadership & Excellence inculcates in the students a sense of belonging and ownership for the Institute, thus enabling the Student Managers to offer their fruitful contribution to the dynamism of the corporate. With the focus on the holistic development of our students, Lexicon Management Institute of Leadership & Excellence prepares them for the comprehensive business environment and equips them with the ability to take over all kinds of challenges that they may face.

A great pool of eminent dignitaries from the corporate who teach the Student Managers make this process of overall student development a success. The Institute is all set upon skill building, strategy development and acquiring the much needed attitude.

Vice Chairman, Lexicon Group of Institutes Executive Director, Lexicon Management Institute of Leadership & Excellence The Lexicon Management Institute of Leadership & Excellence carries a legacy as old as 2006, when the first Lexicon International School was established in Wagholi. Lexicon Management Institute of Leadership & Excellence was formed in the year 2009 and we have successfully completed a decade of excellence in higher management education.

Lexicon Management Institute of Leadership & Excellence has achieved a great feat within a short span of time. Embarking on the path of successfully running a business school situated in Pune has not been a cake walk but we have been strong in our resolution to provide an ever evolving and expanding high quality education inculcating each domain of knowledge and catering only the best to the inquisitive and intellectual minds of India. The USP of Lexicon Management Institute of Leadership & Excellence lies in its contemporary pedagogy which in coalition with positive outlook, enviable global standards and great emphasis on moral values; makes us a league apart from our contemporaries. Not only this, we take great pride in imparting traditional and social responsibilities, which are invoked in our scholars via frequent and timely celebration of all the festivals in accordance with the spirit of national secularism. We are highly conscious of the great challenges which lie ahead on this path of nation building which requires great dedication and humble service from the entire Lexicon Management Institute of Leadership & Excellence family. Still, there is a lot which is left to be done.

There is a gap in the need of industry for skilled, efficient, adaptable and honest human resources as only 70% of the students studying in these business schools are employable. To bridge this gap the most talented team at Lexicon Management Institute of Leadership & Excellence with the help of extremely enlightened people from the academia have created the syllabus and the processes which are in sync with today's industry needs. To explore, innovate and execute is a habit of Lexiconites. Last but not the least are these famous lines from Robert Frost, "But I have promises to keep & miles to go before I sleep."

The Lexicon Management Institute of Leadership & Excellence has been actively engaged in creating and nurturing leaders who 'Believe in Themselves' and empowering them to turn Adversity to Advantage, and show true leadership skills in guiding their organizations to success.

With alumni of Lexicon Management
Institute of Leadership & Excellence
spreading their wings and showcasing
their leadership across the globe it helps
us to reflect and be proud of our valuebased education as a foundation for
'Learning Never Stops' philosophy. Our
endeavour has been to encourage and
celebrate the dreamers who make their
own mark, guiding them in their journeys.

Since its inception in 2009, we at Lexicon Management Institute of Leadership & Excellence, have believed that it is critical that our scholars take pride in learning and developing in an inclusive environment which promotes and creates awareness of self-discipline and respect, an environment where we respect our cultural inheritance and respect each individuals' beliefs and value systems. Our longstanding relationships and partnerships, allow us to leverage Industry experts and Senior Leaders to share their knowledge and mentor our students in their journey to be... This also sets the students up for excellent opportunities for Internships and Placements.

Over the years we have given our students opportunities to hone their skills through execution of events that allow them to get a feel of the real working world and interact and engage with leaders to get their perspectives. From engaging them on conversations of 'Excellence in Execution' to giving opportunities to develop their business and social networking skills, our faculty is happy to handhold everyone on their respective paths to success. Our Faculty and Leadership is focused towards investing in our students for their 360° development in behavourial, skills, intelligence, adversity, social and emotional quotient with a philosophy that "Education is the most powerful tool which one can use to change the world."

From the Academic Director's Desk:

#### PROF. RAJU VARGHESE

Director Academics, Lexicon Management Institute of Leadership & Excellence

"In a time for drastic change it is the learners who inherit the future. The learned usually find themselves equipped to live in a world that no longer exists."

- Eric Hoffer

The world is for learners. It is dedicated to their inherent curiosity, passion, dedication and attitude. The words learned and learners are markedly different. The former is full of ego and the latter thirsts for more knowledge. The processes of learning, unlearning and relearning are ongoing. This defines the dimensions of knowledge. Our core identity as an institution is in our definition as a "Learning Institution."

It is with great pleasure that we invite you for a learning journey at Lexicon Management Institute of Leadership & Excellence for the various national and international programmes. In this journey, we solicit your cooperation in submitting yourself to all the institute processes that have been defined by an intellectual Academic Council with the basic focus on making you solution centric to industry requirements. We intend to stimulate in you an acute learning thirst that will stand you in good stead throughout your corporate lives. Nothing remains static at the institute. Everything and everyone goes through an intense and dynamic change process. This helps us keep our academic offerings, our students, faculties, staff and all our partners 'relevant' to changing business and world scenarios.

The world is going through an acute pandemic crisis. It has changed our perspectives and defined a 'New Normal'. It has also united the world in its fight against the pandemic. The cure is only some time away. The world on the other side of the pandemic will require many new skill sets and technology upgradations. This will also be a world full of opportunities for students. It will require new skills, quality online certifications, adaptability and an enhanced quest for knowledge through a strong and positive attitude.

We at Lexicon Management Institute of Leadership & Excellence would like to partner with you on this journey that defines and builds your character. As the famous quote goes, "Watch your character, it determines your destiny."

Welcome aboard for a destiny defining journey.

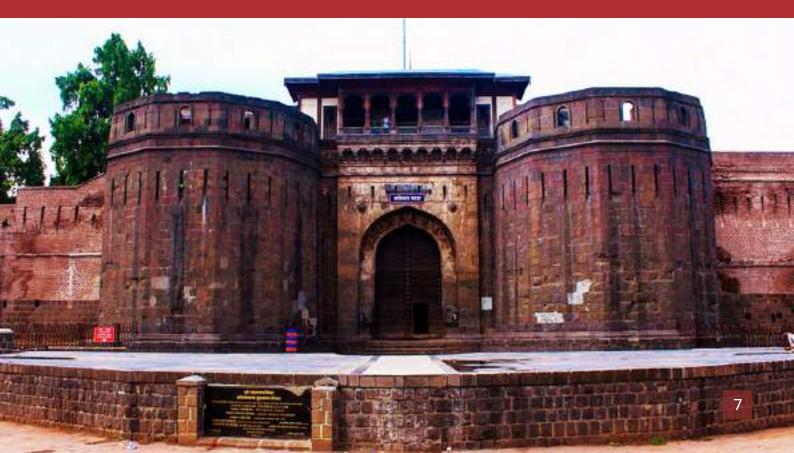

#### **ABOUT PUNE**

Pune is a sprawling city in the western Indian state of Maharashtra. It was once the base of the Peshwas (prime ministers) of the Maratha Empire, which lasted from 1674 to 1818. It's known for the grand Aga Khan Palace, built in 1892 and now a memorial to Mahatma Gandhi, whose ashes are preserved in the garden. The 8th-century Pataleshwar Cave Temple is dedicated to the Hindu god Shiva.

Pune is the second largest city in the Indian state of Maharashtra and the seventh most populous city in the country. Considered to be the cultural capital of Maharashtra, Pune is known as "Oxford of the East" due to the presence of several well-known educational institutions in the city. The city has emerged as a major educational hub in recent decades, with nearly half of the total international students in the country studying in Pune. Since the 1950s and 1960s, Pune has had a traditional old-economic base as most of the old industries continue to grow.

The city is known for its manufacturing and automobile industries, as well as for research institutes of information technology (IT), education, management and training, which attracts students, and professionals from India, South East Asia, the Middle East and Africa. Several colleges in Pune have student-exchange programs with colleges in Europe.

Pune is one of the fastest growing cities in the Asia-Pacific region. The 'Mercer 2017 Quality of Living Rankings' evaluated living conditions in more than 440 cities around the world and ranked Pune at 145, second in India after Hyderabad at 144. The same source highlights Pune among evolving business centres and nine emerging cities around the world with the citation "Hosts IT and automotive companies."

## ABOUT LEXICON MANAGEMENT INSTITUTE OF LEADERSHIP & EXCELLENCE

Lexicon Management Institute of Leadership & Excellence is a part of the Pune based Lexicon Group of Institutions, established in 2006. The Lexicon Group of Institutions includes Schools, Pre-schools, and Schools for the specially abled students along with the Lexicon Management Institute of Leadership & Excellence.

Lexicon Management Institute of Leadership & Excellence was established in 2009. The total number of students in the Lexicon Group of Institutions is more than 10,000. Lexicon Management Institute of Leadership & Excellence has state of the art teaching aids and the "Innovation & Incubation Centre" to promote entrepreneurship and a start-up culture.

Lexicon Management Institute of Leadership & Excellence also operates a Centre for Excellence (CoX) to further academia-industry interface through research and consultation work beneficial for industries involving its own students with experienced Professors/Researchers.

Lexicon Management Institute of Leadership & Excellence believes in the "One Student a Time" approach to build exclusivity in students through fundamental academic processes, robust evaluation methods, innovative induction, strong internship systems and exposure to managing world class events. Lexicon Management Institute of Leadership & Excellence prepares the students to be industry ready through various academic and extra-curricular exposures.

#### **VISION, MISSION, CORE VALUES**

#### **Vision**

To be a globally admired group of diverse educational institutions enabling students to become valued citizens of the world.

#### **Mission**

To develop an all round personality of our students by:

- Providing Student centric learning.
- Encouraging critical thinking.
- Encouraging problem anticipating and problem solving thinking.
- Celebrating diversity.
- Working towards every aspect, no matter how small.
- Working consistently as a team.

#### **Core Values**

**Excellence:** We perform to be outstanding and strive for brilliance in all that we do.

**Integrity:** We rise above personal bias, endeavor to sustain trust and conduct ourselves with impeccable loyalty and fairness.

**Ownership:** We own up our words and actions with accountability.

**Discipline:** We honor responsibility and venerate the commitments to work and life, with dedication and devotion.

#### STUDENT COUNCIL & COMMITTEES

Lexicon Management Institute of Leadership & Excellence is a student driven Institute. The Student Council drives all the student related academic, non-academic activities and events of the Institute. The Student Council partners with the management, as the sole body which is responsible to act as a bridge between meeting the expectations of the management and making the college life of each student meaningful and enriching. It plays a very crucial role in aligning the torch bearers and leaders to achieve the vision and mission of the Institute.

The premier and coveted positions in the council include the President, Vice President, and Secretary along with various Committee Heads and other members. The Investiture Ceremony inducts the Student Council Members into the council through an oath, which the students abide by, while being in office for the same, for that academic year.

#### Media and Marketing:

This committee manages all social media programs and activities of the students.

#### **Corporate Connects:**

This committee manages corporate visits, alumni network, internships and recruitments of the students.

#### **Sports:**

This committee manages all the intra and inter levels sports events and activities of the students.

#### **Internal Events:**

This committee manages festivals, culture programs, and talent shows of the students.

#### **External Events:**

This committee manages all inter college events and programs of the students.

#### **Property Branding and Upkeep:**

This committee is responsible for apt signages throughout the campus for various events and special days. Other responsibilities include maintaining the upkeep of the Institute property.

#### **Safety and Security:**

This committee is responsible for the safety and security of students and their belongings like mobile phones, laptops etc...Ensuring proper Gate Passes for students intending to leave campus, process leave application forms at preliminary stage with the Academic Coordinator, are some add on responsibilities.

Bachelor's Degree with at least 50% aggregate marks or equivalent CGPA (Open Category) & 45% aggregate marks or equivalent CGPA (Reserved Category) in any discipline from a University. If you are appearing for the final year of graduation in your admission year, you too are eligible. Such an admission is provisional and applicable if the student scores 50% aggregate marks (Open Category)/45% aggregate marks (Reserved Category) in the examination once the results are published.

#### **Application**

Online Application Form can be filled and submitted online on our website along with an online payment of INR 1000/-

#### **Scholarship**

We view education not only as a gateway to personal development but also as a pathway for improving the society. We encourage meritorious students with a number of scholarships. At Lexicon Management Institute of Leadership & Excellence we offer scholarship on the basis of graduation marks and CAT / XAT / MAT / CMAT scores. Refer Detailed Scholarship Policy on Institute Website i.e. www.lexiconmile.com

#### Selection

The selection to the Post Graduate Diploma in Management program is purely based on performance in CAT / MAT / XAT / CMAT / GMAT score followed by Group Discussion and Personal Interview.

The Group Discussion and Personal Interview are integral components of the admission process. The objective is to identify and assess interpersonal skills in addition to the overall knowledge.

Due weightage is given to past academic achievements and work experience respectively apart from the above mentioned parameters.

# POST GRADUATE CERTIFICATE IN MANAGEMENT AND M.Sc. STRATEGIC DIGITAL MARKETING

(120 + 60 credits)

### **Program Objectives:**

Digital marketing is driving customer insights, and is key in improving return-on-investment and company performance. There is a shortage of skilled people who can manage this process and interpret data to provide a justification for decision-making, meaning this M.Sc. Strategic Digital Marketing course is attractive to employers. By studying the M.Sc. Strategic Digital Marketing you will develop skills and knowledge much sought-after in the market place, allowing you to contribute strategically to a business's success in the digital marketing arena.

You will explore contemporary approaches to strategic marketing in a digital context, and how these can be applied now and in the future.

This will give you, your organization, or prospective employer, a distinct competitive advantage. The M.Sc. Strategic Digital Marketing provides many opportunities for you to network with fellow students, sharing your experience and workplace ideas.

#### **Program Features:**

- AICTE approved PGCM
- M. Sc. Degree in Strategic Digital Marketing from University of South Wales, UK
- International Degree at affordable price
- Distinguished International Faculties
